Replace the Abstract with:

**ABSTRACT OF THE DISCLOSURE**

~~The invention relates to pliers~~Pliers for cutting plastic tubes ~~comprising~~ includes a first lever ~~(1)~~ provided with grooves ~~(41, 42, 43)~~ having different widths for receiving tubes of corresponding diameters, and a second lever ~~(2)~~ holding a blade ~~(5)~~. ~~Said~~ The levers are pivotally arranged with respect to each other around a pivot axis ~~(3)~~. The first lever ~~(1)~~ ~~is provided with~~ includes a wheel ~~(4)~~ provided with the grooves ~~(41, 42, 43)~~ ~~which are embodied on the periphery thereof in such a way that~~ of the wheel. The groove selected for a tube diameter is placeable in front of the blade ~~(5)~~, ~~thereby~~ by rotating the wheel ~~(4)~~ to a corresponding position.
